Thought for the Day One of the great blessings of serving a risen Savior is we can have peace in the midst of storms. The key verse is **Matthew 6:33** ³³ *But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you. A citizen of a kingdom answers to the king of that kingdom. The kingdom of God is the place where the king is Jesus. If we follow this through we can understand what that can mean for us. Suppose I am faced with a problem and I seek an answer to the problem from the king. We ask Jesus what do you want me to do about this. Jesus instructs us and empowers us according to His will. When we are powerless over any situations we says trust me I got this. If we say no I'll handle it we are saying I don't trust you I can do it better. The problem is you are still powerless and you start to focus on the problem and you worry causing anxiety and you are missing the peace available as a citizen of the kingdom of God. We need help with our focus. Isaiah 26:3 ³ *Thou wilt keep him in perfect **peace**, Whose mind is **stayed** on thee: Because he **trusteth** in thee. Peace is a result of focus and faith resulting from seeking the kingdom of God. **Pastor Bruce****
